I am providing the attached agenda for your consideration based on the message/emails I left you and the response from Donn. I know you said Gary has nothing to report on RI/FS but remember this big meeting is an update from our last BIG meeting over the summer. Not everyone heard the presentations at the community meeting in September and we could not ask questions since it was for the community. I think you could present those again with updates if that makes it easier.

Donn - you said you had left me a message but I did not get it somehow. But feel free to review and let me know any changes you may have. Also for the next CAC meeting, I am proposing Dec. 7. Dec. 14 bumps up against 2 other meetings I have and then it is the holidays.

TCEQ had also asked that we have CAC meetings set in advance at least 3-6 months so if we could do that till at least March that would be great. I think Crystal also wanted to know the big meeting schedule to set up travel at her end.

Thanks and look forward to seeing you next week.

Snehal
